### City of Prince George

Known as BC's Northern Capital, Prince George is a bustling city of 90,000. It is situated at the cross roads of Highway 16 (East & West), Highway 97 (North & South), and at the confluence of the Fraser and Nechako Rivers.

The area offers a lifestyle that is definitely worth bragging about. Residents enjoy incomes above the provincial average, an extensive range of services, cultural, and sports events. Recreation opportunities are second to none and range from golfing, skiing, fishing, hunting - to any sport team you can think of.

Both [tourismpg.com](http://tourismpg.com) and the Visitor Information Center located at 101-1300 1st Avenue are great resources for information on accommodations, restaurants, activities, events, and all things Prince George.
